

👉 LIVE INTERACTIVE WORKSHOPS:

Provide the opportunity for each of the organization's coaches, parents and leaders to assemble together for workshops with **experienced, certified trainers**, all of whom have high school or college coaching experience.

Provide a solution that features **proven, research-based tools** that can be **easily and immediately implemented**.

PCA has more than 1,700 partners and has presented over 9,000+ live workshops nationwide, yielding insights that help us help you implement the program.

👉 LIVE WORKSHOP ONE-YEAR PARTNERSHIPS INCLUDE:

Choice of a **Three (3) Workshop Partnership** or **One (1) Workshop Partnership** that allows an organization to choose from the many different PCA workshops, including: Three (3) Levels of Coach Workshops, Two (2) Parent Workshops, a Leadership Workshop and a Student-Athlete Workshop

One year of **support and reinforcement tips**, including:

- > Access to a specially-designed Partner website that provides tools and resources that can be customized for your organization
- > Informative and topical emails that provide ongoing reinforcement opportunities
- > Interactive support for specific issues that may arise
- > Workshop planning and tools
- > Tips on the best-practices from other partners.

👉 TANGIBLE BENEFITS OF A LIVE WORKSHOP PARTNERSHIP INCLUDE:

Increased retention rates and satisfaction among players, coaches, and officials

Increased participation in coach, parent, and leadership education

Increased number of **inquiries from other organizations** about "how you do things"

Increased number of **comments in the community** about how classy, kid-friendly, and well-run the organization is.
